Reg. No. cc/2006/0067, Tax No. 4125054-01-1

Monday 7<sup>th</sup> November, 2022

Dear student,

This is that time of the year when we are about to wind up the academic year, and things may seem to overwhelm you as you exert final efforts to study and write your examinations. We from the College wish you the best in your examinations and also extend our gratitude for your commitment throughout the year that resulted in a fairly problem-free year.

First we wish to apologize for those in Windhoek Campus who are sitting for the examinations in our new lecture halls which are not completed. This is so as to accommodate a large number to write at a go, so that we shorten the examination time. We hope you will bear with us on this. Accordingly, we are planning to release the examination results on Tuesday, 29<sup>th</sup> November, 2022 at 11:00 pm. The College information system will be closed on 2<sup>nd</sup> December, 2022. Thereafter you will not be able to access your portal until when the Administrative office opens on 9<sup>th</sup> January, 2023

Along with this letter is the 2023 academic calendar. There are few dates from the calendar we would wish to bring to your attention. Note from the calendar that the College Administrative office will open on 9<sup>th</sup> January, 2023. The Supplementary or Second Opportunity Examinations will run from 23<sup>rd</sup> January – 3<sup>rd</sup> February, 2023. The classes will commence on 13<sup>th</sup> February, 2023. For those who are in their final year, and wish to attend the graduation ceremony, please note that this will be on 17<sup>th</sup> May, 2023.

We would like to encourage our 3<sup>rd</sup> year Diploma students to return and do the degree programmes that we have. We have carefully articulated the Diplomas to our Degree programmes to ensure that there is no repetition and that you spend a minimum time to complete your degree. You can consult your Department for details.

You will note that Triumphant College is continuously evolving and improving the learning facilities. By the time you return next year, our most spacious new Lecture Halls will be completed. The outlook of the entire campus will also be improved to provide you with the best learning environment. In this regard, we would like you to be proud of your College by bringing in friends and relatives to also join the Triumphant family. For those who will do so committedly we will extend monetary reward as a token of appreciation. You can see the Dean of Students in that regard.

Next year, we also intend to start degrees in engineering and health fields. We have acquired a big engineering workshop in the Lafranz area. We are equipping this facility with most modern equipment that will also benefit our engineering diploma students. The new programmes will be announced early next year.

From the College, we wish you all the best in your exams, do have a well-deserved holiday, a merry Christmas and a prosperous happy 2023.

Yours sincerely,

Professor Geoffrey E. Kiangi,  
Rector

## 2023 STUDENTS' ACADEMIC CALENDAR

MONTH	DATES	ACTIVITIES
JANUARY	9-Jan	Administrative Office Opens and Admin Staff Returns
