

Triumphant College

PUBLIC FINANCIAL MANAGEMENT FOR SENIOR EXECUTIVES

Duration Two Weeks

**Date: Offered in groups from 1st or 16th
of every month; April-September 2023**

Overview

Senior executives are usually busy people who may not have a financial background. Yet the ability to understand finances is crucial in achieving overall organisational success. This short course will provide an overview of financial management from the executive point of view, by outlining some financial imperatives that executives must keep an eye on for smooth running of operations. The executives will be provided with the required skillset in understanding concepts like capital allocation, keeping a birds eye view on service delivery, financial leadership and financial performance indicators.

Topics

- Overview of budget cycles
- Budget classification
- Budget preparation
- Accounting and Reporting
- FM Information system
- Internal Control of Information/International Audit?
- Performance in Public Sector
