## SHORT COURSE:

# FORENSIC ACCOUNTING ON DONORS FUNDS PROJECT MANAGEMENT TO THIRD WORLD COUNTRIES

### COURSE OVERVIEW:

This short course is designed to equip participants with the necessary skills and knowledge to effectively apply forensic accounting principles in the management and auditing of donor-funded projects in developing countries. The course focuses on identifying, investigating, and preventing fraud, ensuring transparency and accountability in the use of donor funds.

**COST: USD 3 800** per person

**COURSE DURATION:** 1 Week

**TARGET AUDIENCE:** Project managers

Accountants

Auditors

Compliance officers

NGO staff

Government officials involved in donor-funded projects

### LEARNING OBJECTIVES:

- Understand the fundamentals of forensic accounting and its importance in donor-funded projects.
- Develop skills to identify and investigate financial fraud and irregularities.
- Learn best practices for maintaining transparency and accountability in project management.
- Apply forensic accounting techniques to real-world scenarios in developing countries.
- Understand the legal and ethical considerations in forensic accounting.
